Restaurant & Bistro

This French Bistro & Restaurant has been serving customers for over three decades. It is conveniently located in a great area – serving lunch and dinner Monday through Saturday. It's modern, with a large main dining room and two banquet rooms. It has a D5C Liquor License that is available to transfer.

The Owner is ready to retire. Like many businesses that have been around for a long time, the opportunity is to bring new ideas and advertising – to add to what is already there. It's the buyer's option – keep the French theme or totally change to whatever you want to serve.

The facility is leased; the landlord has indicated he will offer a new lease to a buyer.

It's an Asset Sale – Inventory on hand, Fixed Assets, plus the Liquor License and Goodwill of the Business are for sale. The Asking Price is far less than starting something new.
